Community Assistance

It will take approximately 4 weeks for a request to be reviewed by the Corporate Investment Committee. A site visit and additional information may be required prior to a final determination.

Please be advised that we make every effort to assist as many organizations as possible in the communities that we serve. To accomplish this we ask that requests for donations, advertising, sponsorship, and grants be limited to a consecutive three-year period for each organization. After this three-year period, organizations are asked to suspend funding requests for at least one full calendar year before re-applying.
